

ADULT PROBATION

Narrative Summary

There are two pages of tables for statewide and county adult probation activity. The first page includes Standard and Intensive Adult Probation Case Activity and Probationers with Petitions to Revoke. The second table summarizes Community Restitution Hours, Monetary Collections and Probation Reports. Note that absconder statistics are not reported in these statistics.

Direct adult probationers are the number of probationers sentenced in Superior or Limited Jurisdiction Courts residing in each county for whom direct supervision is being provided. Probationers indirectly supervised by each county are not counted because these probationers may already be counted in other counties and would cause these probationers to be double counted for statistical purposes.

There were a total of 17,065 individuals added to the active **standard and intensive probation** population during FY 2012. At the end of FY 2012, there were 37,809 active standard and intensive probationers. A total of 17,924 petitions to revoke were filed during the fiscal year. Of all the probation violation matters brought back before the court in FY 2012, dispositions were achieved in 11,097 cases. Standard and intensive probationers paid \$42,797,997.00 in restitution, reimbursement, fines, surcharges and fees. Restitution accounted for 30.7% of the money collected. Intensive probationers paid \$577,757.69 in state and federal income taxes.

There were 15,984 individuals added to the active **standard** probation population in FY 2012. During the fiscal year, 20,335 individuals were terminated from standard probation. On June 30, 2012, there were 35,666 active standard probationers. A total of 15,343 petitions to revoke were filed on standard probationers during FY 2012. Of all the standard probation violation matters brought back before the court, dispositions were achieved in 8,673 cases. Standard probationers paid \$41,567,630.42 in restitution, reimbursement, fines, surcharges and fees. Restitution accounted for 31.0% of the money collected.

During FY 2012, 1,081 individuals were added to the active **intensive** probation population. Over the course of the fiscal year, 1,333 individuals were terminated from intensive probation. At the close of the fiscal year there were 2,143 active intensive probationers. A total of 2,581 petitions to revoke were filed on intensive probationers during FY 2012. Of all the intensive probation violation matters brought back before the court, 2,424 achieved a disposition. Intensive probationers paid \$1,230,366.58 in fines, restitution and other monies. Restitution accounted for 19.9% of the money collected.
