

ADULT PROBATION Narrative Summary

There are two pages of tables for statewide and county adult probation activity. The first page includes Standard and Intensive Adult Probation Case Activity and Probationers with Petitions to Revoke. The second table summarizes Community Restitution Hours, Monetary Collections and Probation Reports. Note that absconder statistics are not reported in these statistics.

Direct adult probationers are the number of probationers sentenced in Superior or Limited Jurisdiction Courts residing in each county for whom direct supervision is being provided. Probationers indirectly supervised by each county are not counted because these probationers may already be counted in other counties and would cause these probationers to be double counted for statistical purposes.

There were a total of 17,759 individuals added to the active **standard and intensive probation** population during FY 2013. At the end of FY 2013, there were 37,733 active standard and intensive probationers. A total of 15,368 petitions to revoke were filed during the fiscal year. Of all the probation violation matters brought back before the court in FY 2013, dispositions were achieved in 12,424 cases. Standard and intensive probationers paid \$43,826,018 in restitution, reimbursement, fines, surcharges and fees. Restitution accounted for 28.7% of the money collected. Note that absconder statistics are not reported in these statistics.

There were 16,549 individuals added to the active **standard** probation population in FY 2013. During the fiscal year, 18,861 individuals were terminated from standard probation. On June 30, 2013, there were 35,524 active standard probationers. A total of 13,307 petitions to revoke were filed on standard probationers during FY 2013. Of all the standard probation violation matters brought back before the court, dispositions were achieved in 9,931 cases. Standard probationers paid \$42,625,296 in restitution, reimbursement, fines, surcharges and fees. Restitution accounted for 28.8% of the money collected.

During FY 2013, 1,210 individuals were added to the active **intensive** probation population. Over the course of the fiscal year, 1,262 individuals were terminated from intensive probation¹. At the close of the fiscal year there were 2,209 active intensive probationers. A total of 2,061 petitions to revoke were filed on intensive probationers during FY 2013. Of all the intensive probation violation matters brought back before the court, 2,493 reached disposition. Intensive probationers paid \$1,200,722 in fines, restitution and other monies. Restitution accounted for 23.8% of the money collected.

¹ Total for individuals terminated from intensive probation does not include 478 IPS graduates.
