

ADULT PROBATION

There are two pages of tables for statewide and county adult probation activity. The first page includes Standard and Intensive Adult Probation Case Activity and Probationers with Petitions to Revoke. The second table summarizes Community Restitution Hours, Monetary Collections and Probation Reports. Note that absconder statistics are not reported in these statistics.

Direct adult probationers are the number of probationers sentenced in Superior or Limited Jurisdiction Courts residing in each county for whom direct supervision is being provided. Probationers indirectly supervised by each county are not counted because these probationers may already be counted in other counties and would cause these probationers to be double counted for statistical purposes.

There were a total of 19,060 individuals added to the active standard and intensive probation population during FY 2014. At the end of FY 2014, there were 38,599 active standard and intensive probationers. A total of 16,090 petitions to revoke were filed during the fiscal year. Of all the probation violation matters brought back before the court in FY 2014, dispositions were achieved in 13,488 cases. Standard and intensive probationers paid \$44,032,479 in restitution, reimbursement, fines, surcharges and fees. Restitution accounted for 29.9% of the money collected. Note that absconder statistics are not reported in these statistics.

There were 17,760 individuals added to the active standard probation population in FY 2014. During the fiscal year, 17,907 individuals were terminated from standard probation. On June 30, 2014, there were 36,226 active standard probationers. A total of 13,665 petitions to revoke were filed on standard probationers during FY 2014. Of all the standard probation violation matters brought back before the court, dispositions were achieved in 10,602 cases. Standard probationers paid \$42,666,367 in restitution, reimbursement, fines, surcharges and fees. Restitution accounted for 30.3% of the money collected.

During FY 2014, 1,300 individuals were added to the active intensive probation population. Over the course of the fiscal year, 1,394 individuals were terminated from intensive probation*. At the close of the fiscal year there were 2,373 active intensive probationers. A total of 2,425 petitions to revoke were filed on intensive probationers during FY 2014. Of all the intensive probation violation matters brought back before the court, 2,886 reached disposition. Intensive probationers paid \$1,366,112 in fines, restitution and other monies. Restitution accounted for 18.5% of the money collected.

* Total for individuals terminated from intensive probation does not include 570 IPS graduates.
