

ADULT PROBATION Narrative Summary

There are two pages of tables for statewide and county adult probation activity. The first page includes Standard and Intensive Adult Probation Case Activity and Probationers with Petitions to Revoke. The second table summarizes Community Restitution Hours, Monetary Collections and Probation Reports. Note that absconder statistics are not reported in these statistics.

Direct adult probationers are the number of probationers sentenced in Superior or Limited Jurisdiction Courts residing in each county for whom direct supervision is being provided. Probationers indirectly supervised by each county are not counted because these probationers may already be counted in other counties and this would cause these probationers to be double counted for statistical purposes.

There were a total of 22,909 individuals added to the active standard and intensive probation population caseload during FY 2016. At the end of FY 2016, there were 42,602 active standard and intensive probationers. A total of 18,717 Petitions to Revoke were filed during the fiscal year. Of all the probation violation matters brought back before the court in FY 2016, dispositions were achieved in 14,797 cases. Standard and intensive probationers paid \$44,767,089 in restitution, reimbursement, fines, surcharges and fees. Restitution accounted for 29.2% of the money collected.

There were 21,608 individuals added to the active standard probation population in FY 2016. During the fiscal year, 17,787 individuals were terminated from standard probation supervision. On June 30, 2016, there were 40,228 active standard supervision probationers. A total of 15,954 petitions to revoke were filed on standard supervision probationers during FY 2016. Of all the standard probation violation matters brought before the court, dispositions were achieved in 11,399 cases. Standard supervision probationers paid \$43,390,858 in restitution, reimbursement, fines, surcharges and fees. Restitution accounted for 29.6% of the money collected.

During FY 2016, 1,301 individuals were added to the active intensive probation caseload. Over the course of the fiscal year, 1,446 individuals were terminated from intensive probation*. At the close of the fiscal year, there were 2,374 active intensive probationers. A total of 2,763 petitions to revoke were filed on intensive supervision probationers during FY 2016. Of all the intensive probation violation matters brought back before the court, 3,398 reached disposition. Intensive supervision probationers paid \$1,376,231 in fines, restitution and other monies. Restitution accounted for 17.8% of the money collected.

*Total for individuals terminated from intensive probation supervision does not include 807 IPS graduates.
