The Board noted for the record that Mr. Florez is eligible to continue to receive a pension pursuant to A.R.S. 38-884.K., which states that a retired member may become employed by an employer in a designated position and continue to receive a pension if the employment occurs at least twelve months after retirement. The Board also noted for the record that Mr. Florez’s employer (Pima County) is responsible for paying an alternate contribution rate (ACR) on his behalf.

General Discussion:

The Board agreed at the May 9, 2012 meeting to ask for direction from PSPRS as to whether members who opted-out of CORP and stayed in ASRS at the time of the joinder agreement, and later become employed in a CORP designated position after retirement under ASRS, would be allowed to participate in CORP. A letter was sent to the Fund on May 15, 2012. The Board Secretary reported that no response has been received from the Fund to date.

Kevin Kluge advised the Board that although there has not been a formal response from the Fund Manager on the question posed in the May 15 letter, a similar question was raised this month on which the Fund Manager communicated with the Board’s Attorney. In that case, an employee who signed an Opt-Out waiver wanted to move back into a CORP designated position and continue to contribute to ASRS. According to the email communication between the Fund Manager’s Office, ASRS, and the Board’s attorney, it was determined that the signed Opt-Out prohibits this employee from ever participating in CORP and the employee would continue to contribute to ASRS even while holding a CORP designated position. Mr. Kluge indicated the Board would receive a copy of the communication in that case with the materials for the September meeting.
