He is a very close personal friend to [Redacted] and has attended their wedding along with other social functions. As the 1st Judge did recuse himself (Judge [Redacted]), so should [Redacted]. Or at best, not imposed the harshed, severe, financial hardship and completely unwarranted 26 weeks of TASC non-violence education, when there was none.

I wrote to Judge [Redacted] agreeing to pay the \$ [Redacted] fine in payments of \$25.00, but CIVILLY asked she withdraw the TASC penalty.

There is a strong probability that having once again told of and identified "my rapist" in [Redacted], California when he came into contact with me, in a random neighborhood ([Redacted]), that there has been 3 more legal incidents. Illegal parking (though was not), Speeding, (not) Failure to make payment (yes-delayed) and spent 5 days in jail. All within 8 weeks.

I was dragged and viciously, repeatedly raped, and even almost died.
