Dear Sir:

This is a matter before the judge of a divorce of a year marriage. Would you please listen to the tape from my attorney that this was not the audio sent before the courts. But she states Judge is known to let his desk pile up and sign everything to get rid of it. "I just slipped thru the crack, it happens sometimes." I signed off because wanted \$5,000 up front and it would cost me thousands in attorney fees. I do not have this money. For years I was a wife mother home maker
