

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 06-101

Complainant: No. 1275400433A

Judge: No. 1275400433B

ORDER

The commission reviewed the complaint and the recording of the hearing in this matter and found no misconduct on the part of the judges involved in the underlying case.

The complainant is a grandparent seeking visitation with his grandchild against the wishes of the child's mother. The judge assigned to the case correctly explained that the complainant's only remedy is to file for visitation in superior court. There was no indication that either judge improperly conferred with each other about the case or pre-judged the case. Even if the judges' rulings were incorrect, the commission could not change their decisions.

The complaint is dismissed pursuant to Rule 16(a).

Dated: June 27, 2006.

FOR THE COMMISSION

CJC-06-101

On [] I filed a request for an Injunction against Harassment to be placed against []

I spoke with [] Pro tem. She initially told me she couldn't accept my request because the dates of the harassing acts were the same. I asked her to show me where that is stated in the Arizona Revised Statutes. She tried, but couldn't. In fact, the statutes say " acts over any period of time", ARS 12-1809, R. I changed the dates from the date of [] Injunction of Harassment against me [] to the dates the acts took place. She then said she couldn't accept my request because the harassment wasn't said to my face. I asked her to show me where the ARS say that. She couldn't.

She then spoke with Judge [] and a hearing was set for [] At the hearing, Judge [] denied my request for the Injunction.

I knew Judge [] would deny my request.

Judge [] knew she would deny my request.

[] pro tem, knew she would deny my request.

[] knew she would deny my request.

I have met all the requirements of the Arizona Revised Statutes for an Injunction against Harassment to be placed against []

The behavior of Judge [] is willful misconduct and obstruction of justice. They both have violated the principles of equity. They both should be removed from their jobs for malfeasance in office.

I'm asking you to look into this matter and reprimand them appropriately.

Thank you.
