FORMAL COMPLAINT

CJC-06-198

I am writing to you in reference to my many attempts to file an appeal in your court. Your front counter assistant has misguided me, instructing me to go to the Superior Court to file my appeal on the above case number. I pleaded with them to file an appeal the day that the judge squashed it. They insisted on charging me \$50, which was unlawful in the appeal process. When I paid the \$50, a judge from the west side of the room came out and explained to the assistant that there was no charge in this process. I was then given back my money.

It is my understanding that the hearing was recorded and it was my right to obtain a copy of this tape. I have made numerous attempts to obtain this recording, so I may file my affidavit and appeal. But as you can see in this letter, this court is refusing to comply with the law. They have made it impossible for me to file an appeal. I appeared at your court five days after the hearing and an assistant told me that I had been calling every day for the tape. This statement was untrue. I asked for the tape and she said the machine was broken. I was also told that when the tape was available I would be called so I could come and pick the tape up for my reviewing. But until this day no one has called me in reference to this. When I appear at your front desk, your assistant appears agitated with me. Thank you for looking into this matter.
