while I was being sentenced by this judge He refused to address the fact that I was coerced & threatened by my District Prosecutor to sign my plea. He allowed hearing I was never aware of take place. He allowed my legal discovery for my case to be stolen by [redacted] and do nothing about it. He threatened me if I didn't accept the plea he would he'd ensure I got slammed and got more time. He refused to hear the life threatening scenes that were addressed to him & he refused to act properly. He said he would allow me to get my grand jury transcripts as they were stolen but till this day I've not got them at all. He made several promises he will not keep and he manipulated & threatened & coerced me to accept a plea off his promises all of which he did not keep at all. I've filed several motions on his court and he refuses to rule on any of them. I also requested a judge change and they have refused to respond or rule. This all took place between [redacted] to now. I would like this investigated & would like a new judge assigned my case as I fear my safety & life due to this judge.
