I paid for a packet for Adult Name Change Without Minor Children. I followed all procedures listed in the packet and took every paper to court that the packet said was required.

[redacted] my court appearance date, the Clerk of the court told me [redacted] required different papers before he would address my request. I said I had everything the packet required, she said that didn't matter, he had his own requirements, "FIVE" other people ahead of me were told we had to reschedule our court date & reappear with the paperwork [redacted] wanted. I know that number is only a drop in the bucket of lives he's complicating every month. I had to again request time off work & drive several miles to come back - so do all the hundreds of other people he is doing this to!

Lots of people plan celebrations after these formal name changing appearances. [redacted] decision to have his own rules changes all that too. There is an absolutely needless wear of our money & emotions.

Please either change the packet or [redacted] personal requirements.
