I have attached a copy of a letter of concern I sent to Judge my complaints against Judge Revolve around the obvious fact that she Refuses to obey ARS, mainly 25-403 ON custody & support modification, nor will she interview my children to give 'findings' on all these relevant factors. Her deliberate violations of the related statutes have created extreme caos in our lives & has been devastating. I contend that to date, no order or Ruling she has made has been in the Best interest of my children. She has stated in open court that she 'does not like me', I believe that fact has biased her ability to be impartial and apply the law to all equally under it. My boys even went to the extent of writing affidavits to the Judge begging her to make modifications to our current outdated & invalid order. She refused to observe the true facts of the case & allow a legally qualifyng modification, that fully complies with ARS 25-403, but insists on following some sort of "agenda" - as I was told by a mediator. What is happening in Judge 'Family Law' court is wrong in my case one can only guess how many other innocent parents & children are being victimized by Judge Refusal to obey Arizona Revised Statutes & make decisions & rulings that are in the Best interest of the children involved.
