Dear Judicial conduct

This is a complaint against Judge [redacted] with the [redacted] court case# [redacted]. ON [redacted] [redacted] signed an order For MY Severance case to be Appeal. In His order he said I Have 30 days to Call MY appeal Attorney [redacted] I recieved my letter on December 12 2006 in the evening AFTER 5:PM, I Found it very bias and injustice that this letter wasn't mail to me AFTER I requested an Appeal in the month of [redacted] when MY right AS a parent was Severed, Check court transcript dated [redacted]. This is a direct retaliation From Judge [redacted], because I Have Filed a Judicial complaint against him before about his unethcal conduct AS a Judge because He did not Play a videotape that the State of Arizona and the AG tried to Suppress in his court room. The order was signed yet mail to MY House on the [redacted] Here is the postage Stamp From the Courts. [redacted] claims lack of interest or Failufe to Stay in contact with MY

Attorney means they will drop me from my Appeal. [redacted] poorly conduct and injustices behavior toward [redacted] prove once again this is a form of racism. I have call [redacted] immediately after receiving this letter on the matter of Appeal because [redacted] mail this out 1 day before the expire date. I feel his duty as a Judge need to be question and investigated immediately like soon as possible.

Thank-you for your time and seeing once again how unfair [redacted] is in his unfair signing of the Appeal process toward people of color

Thank-you

god Bless

P.S. Judge [redacted] shows a pattern of a Judge who doesn't represent true Judiciary code of ethics. His corrupt beliefs and willful misconduct in office prove this Judge will forever be contaminated with the cesspool of unfair and bias treatment for people who ask for an Appeal months ago.
