Re:
Judge

CJC-06-316

Will not let another Judge handle the Court Case. Refuses to have the case moved to another Court. Refuses to let me talk, refuses me to have another Court appointed lawyer. Refuses let me talk to the defendant, meaning the State the County, or the District Attorney. The State and district attorneys office says if I go down to talk to them, I will be arrested. If I try to get any information from any of the Courts appointed people that they sent me to, I will be arrested. I have put all of these things in writing to him. He still refuses to let me or give me any information. Put a Personal Protection Order against me to even talk about any of this to anyone (Gag Act). Is what I was told by the hospital has also my picture on the wall for a right a way & quick arrest if seen. And none of this makes any sense. He refuses to get a Lawyer to defend me. All of the good lawyers here work for the County, State, or Federal Court. What do I do. The Court and the Judges all work together with the Hospital

Also, I never missed a Court Hearing or Date since this has started I was arrested and now out on \$10,000.00 Bond. I also paid \$1,700.00 to the Bail Bonds man. That is my Tax money for my House. They have also had my Drivers License Revoked by the Hospital and the Court. Reporting me to the DMV

I did nothing wrong

My Cousin [] has threatened to kill me. Shoot me and throw me in a hole in the Desert. I told the Judge that is handling this case too. Still nothing has been done about this. Also, there is [] that he owes me. [] that he stole out of my house, and another [] that was given to his brother that [] said to give to his Brother the money and [] was going to make it good. There is a personal Protection Order against [] now. Still no money has, will this Judge do anything about this. Then the Judge that is handling this case asked me if I have run out of money I am tired and Broke of dealing with Liars, cheats, and thieves, as well as the State and no one to help; they are all together, to destroy me.
