Comm. on Judicial Commission, Top 4HS Key Wristle, Plain & Simple Commission  
[redacted] was to go. This is such a clear and blatant disregard of my Constitutional Rights it's embarrassing even being in a courtroom with these idiots. What is it that you don't understand about the Law? Oh, I know it's where it says "Victim Rights" in the AZ Const. Article II sect. 2. That's what's fucking all these Judges up right here. You all just need to read the 14th Amendment of the U.S. Const. where it refers to all Citizens or all persons not just victims of a crime, because your now making me a victim of your own injustice of the Law that protects me as a citizen covered by the Constitution of the U.S. which is the Supreme Law of the Land. Clearly stated in your own AZ Const. Article II sect. #3.5. So if I was granted a Pro Bond Private Attorney on [redacted] from Judge [redacted] in Video Arrangement Court and never received my Counsel even at [redacted] hearing in [redacted] Court where she witness we live my Speech Trial time what my Attorney present and was "Informed Written Consent" as stated in Rule #42 Rules of Professional Conduct E.R.D paragraph #6 and that was almost 90 days after I'd been in jail. She should of insisted that I have an Attorney present my Pro Bond Private Attorney and make a 5 day continuance instead of waiving my the defendant's time and violating my 14th Amendment Right to a Speedy Trial and also violating her Ethic Responsibility to her Court & AZ Constitution Article II sect. #11 and Article VI sect. #21. And with her [redacted] and/oring an act of Malpractice and Malfeasance, I can simply prove that any Rule #11 Evaluation is totally irrelevant for the simple fact that I have the Right to remain silent in all Court hearings, it's my Attorney's sole responsibility to represent me in the courtroom and speak on my behalf and to prepare any defense. If the defendant don't have to be compelled to say a word either way, simple as that. My lawyer or should I say my lawyers, lawyer even went as far as slandering me, and a defamation of Character in describing me, to take [redacted] making totally irrelevant statements about me, my family saying I don't have contact w/ them at all and

he was deaming me insane and a menace to Society when I don't even have a felony on my record.

Is that a Conflict of Interest or what Judicial Comm. Judge's? Does this letter hold output of someone crazy?

No it proves I know what I'm talking about with the Law, that's all. Now please quit wasting my time & life. That's for me. To do and enjoy doing it. I proved I don't belong in Jail or in a mental institution either.
