COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 07-062

Complainant: No. 1304910527A

Judge: No. 1304910527B

ORDER

The commission reviewed the complaint filed in this matter and found no ethical misconduct on the part of the judge. The issue raised is legal or appellate in nature, and the more appropriate remedy would have been to appeal the judge's decision to a court with proper jurisdiction.

The commission is not an appellate court and cannot change a judge's decisions; therefore, the complaint is dismissed pursuant to Rules 16(a) and 23(a).

Dated: April 11, 2007.

FOR THE COMMISSION

/s/ Keith Stott
Executive Director

Copies of this order were mailed to the complainant and the judge on April 11, 2007.

This order may not be used as a basis for disqualification of a judge.

My complaint against Commissioner [redacted] is the fact that he cannot substantiate the unsubstantiated by the stroke of his pen without the benefit of the due process afforded to me, [redacted] a United States Citizen. I have been falsely accused by CPS agents and my juvenile daughter. Commissioner [redacted] has clearly demonstrated that he entertains false testimonys and false statements without even questioning. Not even to my clear and precise objections to such fallacies. It's also called slander. My name & character was dragged through the mud despite my demands to be heard and my evidence to be reviewed. Everything I said fell upon deaf ears. The end result is by the stroke of Comm [redacted] pen, he found me guilty of all accusations from CPS & my daughter [redacted] thus - placing my name on the CPS "Central Registry" for the next 25 years like it or not! This is the USA, not a THIRD WORLD where a person has no rights! It's obvious to me that Comm [redacted] has no qualm violating my Civil Rights. Civil Rights exist in every courtroom, in every circumstance. CPS dependency cases are not exempt. Guaranteed by the Fifth, Sixth, and Fourteenth Admnendments to the U.S. Constitution is succinctly stated in the Fifth Admnendment which states "No person shall be deprived of life, liberty, or property, without the due process of law." The constitutional requirement of the due process mandates the recognition of individual rights.

The guarantee of the due process is found not just in the Fifth Amendment, but underlies the first 10 amendments to the U.S. Constitution, which are known as "THE BILL OF RIGHTS." The Fourteenth Amendment is even better yet - for it makes the due process binding upon the states. We all know what that means, it is saying that it requires individual states in the union to "RESPECT" the due process rights of any & all U.S. Citizens who come under their jurisdiction. The Bill of Rights - amendments; were not written on the back of a book of matches. Being in Commissioner courtroom surrounded by a passee, one would think the civil rights were indeed written on a matchbook. It is with my opinion, that Comm made an illegal judgement against me based on false allegations, false swearing, false testimony, unsubstantiated hearsay, taking his court to a level of contempt. It is also called abusive power. I'm not the only parent this has been done to. Perhaps looking at all the CPS dependency cases involving Comm should be looked at a little closer. My daughter has a severe delinquent history - which cannot be ignored. To see Commissioner ignore her rap sheet as if she was a saint is a serious matter for concern. Please see the attached exhibits for ^(Attach additional sheets as needed) added explanation. I know that the Commission on Judicial Conduct cannot change a judgement, but you certainly can change a judges behavior!
