COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 07-072

Complainant: No. 1305510152A

Judge: No. 1305510152B

ORDER

The commission reviewed the complaint filed in this matter and found no ethical misconduct on the part of the judge. The issue raised is legal or appellate in nature, and the more appropriate remedy would have been to appeal the judge's decision to a court with proper jurisdiction.

The commission is not an appellate court and cannot change a judge's decisions; therefore, the complaint is dismissed pursuant to Rules 16(a) and 23(a).

Dated: April 11, 2007.

I appeared telephonically. I was not able to say or discuss anything with my attorney. It was decided for me how much I was to pay without reviewing my salary for support. I cannot pay [] in support, due to the fact that I do not make that much money and I stated that I was unemployed. My employer laid me off because I had taken too much time off to be in Arizona. This decision was one sided and not just.

Judge [] would not listen to anything I had to say. His only concern was that he was speaking to me via telephone.
