In reference to case [] this judge has wrongly decided the outcome to Legal Guardianship to my mother on [] the Surrender of her property on [] and our next Court Trial for this case should be set for [] and this will be for me to Account for my mother's Assets, money of her's, when I was taking care of her, until [] when she was dishonestly taken away from our home in [] Arizona. Also, on this date, this judge may even force me to add my mother: [] name to the Deed of Title of our home, even though I may not be successful in doing what I can, in order to bring her back where she belongs and is happy, While appointing me as her Legal Guardian/Conservitor, as the proper outcome to this case. The truth is: Judge [] decisions in this case should be overturned, because he has shown Bias Behavior toward me in performing his duties! I will now inform you of the proof that I have in this important matter. On [] I arrived at [] Superior Court at 9:25am, in order to attend and argue against having a Court Order to Surrender My Mother's Personal Property from our home in [] Arizona. When this judge asked me for a reason why he should not grant this order? I then said that my mother's clothes and other personal needs are fine with me, but her valuable property should not leave our home, because this property will be taken by her dishonest daughter: [] My mother has been forced to live with [] since [] by her dishonest Court Appointed Fiduciary: [] I had said to this judge, that I have evidence that my sister: [] and Court Fiduc ary: [] have teamed up together and have taken control of my mother, to only benefit themselves financially. During the time of the case [] Surrender of Property Trial on [] I had offered to present my evidence to Judge [] but he had refused to view this, saying to me that I do not know how to prop-

erly present this evidence to him! During the Guardianship matter of my mother, in reference to case [redacted] of the [redacted] Trial, Judge [redacted] had said to the Court Fiduciary: [redacted] that he is sure that she will do a good job as [redacted] Court Appointed Guardian/Conservator, but he is completely wrong on this issue and I have proof that this judge is Bias toward me and does not want to see my documented evidence: My personal Activity Reports, Police Reports and Taped Voice-mail Messages from my mother for proof that [redacted] and [redacted] do not care about my mother's quality of care, well-being and happiness while being forced to live at [redacted] home in [redacted] Arizona. Because of [redacted] part in manipulating the situation that my mother and I are now in, [redacted] and [redacted] only want to continue to benefit themselves, by holding my mother where she is at and controlling her assets in order to profit from her! By [redacted] I had been my mother's Caregiver, Acting Guardian/Conservator, Protector and Companion for over five years and have never taken so much as one dollar from her, dishonestly. I have proof that my sisters: [redacted] and [redacted] have dishonestly taken large amounts of money from my mother's bank accounts while she was living with me and now my mother is being forced to live with [redacted] and I am sure that [redacted] and [redacted] are continuously taking money from her bank accounts! My brother: [redacted] life has been threatened by [redacted] son: [redacted] during the recent past and [redacted] is afraid to come forward in court and to file Police Reports against [redacted] so I am mostly on my own with my court matters. On [redacted] I have filed an Appeal against my moth-

er's Court Appointed Guardian/Conservitor: [] and have paid a Bond amount of [] at the time and by [] I had paid a total of [] with court fees. By [] I had sent the Court of Appeals my Opening-Brief, that included important evidence that should have over- turned the original Guardianship Decision, but instead, I received an unfair notice from them dated [] saying that I have no standing to file an Appeal in this matter! I have taken care of my mother for over five years and I have plenty of standing in this Guardianship-Matter. This is my second complaint, please take a look into this serious matter. After you do your part and investigate the conduct of Judge [] and Court of Appeals, please forward copies of this paperwork to the area at Arizona Supreme Court, for possible overturning of the wrong decisions made here. My mother's quality of life depends on this matter! Thanks very much for your help. [] Sincerely.
