The Commission on Judicial Conduct reviewed the complaint filed in this matter and found no ethical misconduct on the part of the judges. The despicable on-going status of this case is appalling. Not only is bail posted for an illegal who committed a felony and subject to Arizona Constitution of no bail for illegally from "ANL" County (Prop 100) and then reduced by Comm. [redacted] - Judge [redacted] doesn't even know if he can overturn a decision by a Commissioner.

Isn't it the responsibility of a Superior Court judge to know what he can or cannot do? Didn't he read the case before entering the courtroom?

Isn't a Superior judge to uphold the laws of the State?

In November of 2006 for voters passed proposition 100. I was one of those voters who cast a "YES" vote for prop 100.

On [redacted] [redacted] who we knew as [redacted] was killed in an auto accident by [redacted] an illegal with an alcohol content of [redacted] who ran a red light.

If I, a mere citizen knew that Prop 100 states that a person who is in the U.S. illegally from ANY country cannot have bond posted then how is it that Comm. [redacted] did not know the law.

Comm. [redacted] claims immigration did not work on weekends, yet [redacted] admitted to police of her illegal stay in the U.S. To deaf ears Comm. [redacted] posted [redacted] bond. Since this is a felon, wife couldn't [redacted] kept for (in jail) the legal detention until floor down. (What gives [redacted] the right to close their eyes to the law? Judges are to uphold the law, not change it at their discretion. This is sickening!

Judge [redacted] added insult to injury;
Instead of rescinding the action of
Comm. [redacted] who set bond
for a felon committed by illegal [redacted]
[redacted] in light of Proposition
100 - Judge [redacted] REDUCED the
bond to [redacted]

where is justice for the victims
The victim in the case is
[redacted] young
and innocent.

The action of Comm. [redacted] is sickening -
a mockery of justice.
