on Tuesday [redacted] I was in Court I [redacted] was a "Banyan Court" with this so called Judge. When he informed us that all teenagers who dress for Black & are getting [redacted] their hair cut short a [redacted] have been molested & this in their way of mourning their [redacted] being taken away from them. I have some [redacted] 15 year old grandson who had molested or raped him. He thought I was nuts what gives this man the right to blame God? We had to endure a 30 minutes of his rambling as President of the Black side of my son as well as his moral judgment and his observation of kids [redacted] Black. This is not proper for any person, especially a Judge. I said I don't know who this guy thinks he is but not entire family or friends living in their state have lost all respect & [redacted] for this [redacted] How can you allow a person [redacted] to give judgment? or a [redacted] or [redacted] for [redacted] being? He has allowed [redacted] broken attorney ethics in [redacted] He says nothing because he is a paid off Judge that obviously has a debt to be paid off to the [redacted] as well as the [redacted] attorney office. We will prove he is on the [redacted] has been for a [redacted] We strongly hope you must have the [redacted] to [redacted] this person who is totally out of his [redacted] and doesn't care about the people or the Law.
