**ORDER**

The commission reviewed the complaint filed in this matter and found no ethical misconduct on the part of the judge. The issues raised are appellate in nature, and the more appropriate remedy would be to appeal the judge's decision to a court with proper jurisdiction.

The commission is not an appellate court and cannot change a judge's decisions; therefore, the complaint is dismissed pursuant to Rules 16(a) and 23(a).

Dated: July 11, 2007.

Ethical issues with divorce decree,  
#1.- I was not served divorce papers by process server. Filed motion with the court to contest with proof I was at work that night. Judge says too much time has passed, there is no statute of limitation on unlawful paperwork. Denial of this is completely & uncontestably unethical.

#2 - Spouse was given spousal maint. NOT within the guidelines of A.R.S. 25-319, also unethical and completely out of line.
