COMPLAINT AGAINST A JUDGE

Your name:

Judge's name:

Date: 06-18-07

Instructions: Describe in your own words what the judge did that you believe constitutes misconduct. Please provide all of the important names, dates, times and places related to your complaint. You can use this form or plain paper of the same size to explain your complaint, and you may attach additional pages. Do not write on the back of any page. You may attach copies of any documents you believe will help us understand your complaint.

This complaint is about the situation in [redacted] Az in which no one is taking responsibility for a very old and serious case. Two people are accused of a murder. Two people are facing the death penalty. All the judges listed on the previous page had this case before them. All refused to deal with it. The arrests were made in [redacted]. It is now June, 2007. We all are aware of the sixth ammendment. 18 months is the guideline for holding a citizen. 18 months, NOT [redacted] months. Judge [redacted] received this case in [redacted]. He said that he would see it through. He also said that he needed help with his case load or relief of some of his cases in order to get this accomplished. He made a request to the presiding judge in [redacted]. Judge [redacted] said that he would help however he could. None of that help included lightening the case load of Judge [redacted]. When will this case take the precedent it deserves?

Thank you for your attention
