Does not acknowledge all motions to the Court  
has fast tracked this case with out allowing my  
attorneys in my case a sufficient amount of inspection  
time to review all case info, to accurately & justly  
defend my case, [redacted] was a family court  
case that was to be dismissed and made  
it a Juvenile Court case. Did not acknowledge  
the cps worker [redacted] decision of  
unsubstantiated information to close out this current  
juvenile case, has allowed parties to become  
separate in this case and has ordered my self  
proteced out of [redacted] and given me little to  
no contact with my child. Did not  
acknowledge sufficient case information which  
proved me to be a fit parent and not have  
any mental health issues. To show I was not  
and am not a threat to my child, this  
judge has alienated me and allowed my  
attorneys to not defend me, at my request  
to object to their submitted ect. This  
judge has duplicated [redacted] request of  
psych eval, ect and all have been duplicated  
when all had been provided in Court files  
if he reviewed all as needed he could of  
seen this. Currently the clerks assistant  
from [redacted] is now my attorney this  
is not a just matter on my behalf et al,
