COMPLAINT AGAINST A JUDGE

You can use this form or plain paper of the same size to explain your complaint, and you may attach additional pages. Do not write on the back of any page. You may attach copies of any documents you believe will help us understand your complaint.

I asked Justice Clerks and next day Judge at clerk window, for a copy of court transfer papers on [redacted] from [redacted] to [redacted]. Plus I asked Both clerks + Judge for a copy of [redacted] "NOT processed correctly" but mail of my said process server [redacted] processed by [redacted] worker/uncle of [redacted]

Complaint

They would not give me paperwork of either but I was told [redacted] handed [redacted] but not [redacted] summons

Family member

To Respond and they are family. In properly process and transfer of case no. [redacted] due to bias I have the right to have both transfer paper + who processed case for defendant's answer equal. If I can't go to this court because [redacted] is a worker + family of defendant's then why did [redacted] process case + not leave it up to mail or process server!? I let clerk + Judge know only to be told you can't have those papers go to [redacted] Making it confusing + complicated for me I find out defendant have a relative in court system to not only have it transferred but to become their own processor. If I can't get on paper what I was told + show that's misconduct. Even [redacted] court can't have who processed it but I know + was told it was by a family member

Case was Transferred

due to

Court clerk doing process paperwork + being married to Defendant

I believe firmly that the trial plus dismissal WAS UNFAIR for a # of factors, I am disabled + hearing officer plus Justice of peace - omitted the truth, in evidence NOT looked at or read, no motions granted with little time with interruptions saying "you not a lawyer ignoring witness decline" His once said status of "being" + being a witness due to pleurism Ignoring Defendant admitting the Dodge 4x4 she was driving collided into the Escort that was parked at at Officer incident report, 911 tape + Disputed, Not making Defendant draw a map but once so called witness who testimony doesn't match. making default accusations for auto insurance claim + all the evidence plus what was defendant's admitted was disregarded, dates by court clerk were stamped the day after trial also 50 motion to vacate was denied.

\* Unfair, omission of facts, No notes, looking at or personal notice of case + my disability made an unfair dismissal, causing me no peace to my property damage, insurance, disability, + insult, wrong addresses too totally dismissed w/out cause when defendant admitted guilt of colliding into my parked car + witness admitting HE did NOT see accident. Unfair prejudices possibly because I'm disabled + Defendant's relative works as court clerk. Reasons for NOT examining evidence or defendant HES + avoidance. ??? why not look at or read my typed incident or police incident report case + omitted truth given. Unfair dismissal. Cause emotion damage on top of it, I cryed Judge ruled this is not a murder cases (Attach additional sheets as needed) Transportation Loss. Loss of time Loss of money. My hearts crushed in pieces because of unfair Unjust COURT. . . . . case of power . . . . .
