**The following is an exact transcription of a handwritten complaint filed by
against Municipal Court Judge**

I've no way to tell who the judge was at my initial appearance on trumped up wrongful charges, but I'm a little scared that it was the county attorney (illegal)? I believe is what my memory is telling me, but I was assaulted for maybe asking who the judge was in and I gave an Arizona post-complaint to about the terrible incident. My head is hurt, MRI ordered and I'm going back to Dr. The electronic system had (custom?) interference and was terrible.

Please correct corruption and criminals every which way you can.

I thank you for your wonderful cooperation in the past, present and future and you may know you can always call me for any volunteer work or anything anytime.

Thank You.

Respectfully and Very Sincerely,
