COMPLAINT AGAINST A JUDGE

Instructions: Describe in your own words what the judge did that you believe constitutes misconduct. Please provide all of the important names, dates, times and places related to your complaint. You can use this form or plain paper of the same size to explain your complaint, and you may attach additional pages. Do not write on the back of any page. You may attach copies of any documents you believe will help us understand your complaint.

Judge appears to be suppressing investigation of allegation of improper ex parte communications with deliberating jury by failing to act on: (1) Notice of Discharge of Counsel For Cause & Motion to Proceed Pro Se; (2) Motion to Strike Former Defense Counsel Factually Inaccurate, Premature, and Unauthorized Motion Re Jury Tampering & Motion For Sanctions; (3) Motion For Hearing Regarding Private Citizen Allegation of Improper Ex Parte Communications With Deliberating Jury; (4) Motion For New Trial & Motion to Stay Sentencing Pending Court's Final Determination of This and All Other Pending Motions. His staff called _____ & insulted her, telling her they think she is lying. There is no evidence whatsoever that either _____, or Judge _____ intend to investigate the apparent impropriety which **MAY** require vacating verdict. If sentencing is allowed to go forward **WITHOUT** investigation, Defendant will be damaged by further such judicial impropriety and failure of due process of law. By ignoring my **Notice of Discharge of Counsel For Cause**, _____ can **ALSO** ignore my subsequent pro se filings which detail several egregious violations of law which have taken place by either _____ himself or my attorney _____, assigned over my objections on the record.

All pleadings since trial are attached hereto, and incorporated fully herein by this reference, including the Exhibits attached to the pleadings which factually support all the allegations raised in the pleadings. Please note that _____ Office has been vacant all year as a matter of law - no valid Loyalty Oath of Office. See attached **Request For Judicial Notice**. It appears to me like a very real possibility exists that a **JUDICIAL COVERUP IS UNDERWAY. CANONS ARE BEING BROKEN RIGHT & LEFT!**
