COMPLAINT AGAINST A JUDGE

Instructions: Describe in your own words what the judge did that you believe constitutes misconduct. Please provide all of the important names, dates, times and places related to your complaint. You can use this form or plain paper of the same size to explain your complaint, and you may attach additional pages. Do not write on the back of any page. You may attach copies of any documents you believe will help us understand your complaint.

On _____ at my sentencing when the
Hon. _____ asked me if I understood the
plea agreement and the consequences of
such I repeatedly stated in the negative.
This was actually at my change of plea hearing
on _____ when at the beginning of the
hearing I was asked my name I stated "
I cant. I cant. I cant do any of this." After
Judge _____ threatened me with Jury trial
I stated "I just dont know I'm not sure what
I should do now." I made another statement
that my two court appointed attorney's did not
help me in the adversarial process. It was
also stated to Judge _____ that I was
never in school and I had taken some
pills shortly before my hearing.

_____ Judge _____ was aware that I did not
have the mental capacity to enter into a
knowingly & voluntary plea agreement. I believe
that she acted outside of her ordinary
official capacity.

I believe that a complaint under these
circumstances is appropriate. Please do not
hesitate to request a copy of the change of
plea hearing transcripts.
