To;

Commission on Judicial Conduct

JAN 23 2008

Superior Court Judge

The Defendant Has had

a Very difficult time with the Honorable

Filed Several

Motion's to Judge to Change

Counsel Before trial, She Refused to grant

his Request, even thou had

Presented Very Substantial issues of

unethical behavior on his Attorneys

ineffective assistance

during Pretrial Disclosure issues that

lead to trial issues that Has now lead

to

asking The Honorable

For a New trial Based on

Several different Violations of due

Process Rights and United States

Constitutional Rights, I had Filed Several

different Motion, Several times through

Inmate Legal Services in Pro Per which

were Returned to Be Submitted through

my Attorney

Because

I was represented By Counsel, Inmate

Legal Services would not Have it Filed

with the Clerk of Superior Court, So on
 Return I would Have to Write a Cover
 letter to Have the motions Forwarded to
 my Attorney to Be Filed in Superior
 Court to Be Ruled on by The Honorable
 Judge, well Come to Find
 out at my Sentencing, my Attorney
 Filed none of my
 motions with Superior Court and
 did not want to
 Hear any Reasoning on these matters,
 there For Sentencing, was Reset till
 For mitigating purposes.

I no longer Feel that Judge
 will Be Fair at the time of Sentencing,
 Here are Some of the Reason,s

1. won't grant me no motions
2. won't give reasons For not granting motions
3. Say I try to Receive hybrid Counsel but
 inFact I haven't I asked to go Pro Per
 (cornell vs. State, I Can go Pro per as
 many times as I Choose as Long as not
 in trial.) Ariz Supreme Court,
4. I File For a new trial, as to evidence
 that was with held From me, and

CJC-08-016

Judge tells me she won't grant me a new trial no matter what I say, I did not receive my police report until ~~but last trial in~~

5 I ask for Judge Attorney to order my Grand Jury transcripts for reviewing, AS 12.8(c), state only the prosecutor and the defendant are allowed a copy.

Judge tells me that my Attorney is the only one allowed to possess a copy, if this were true then why do all other inmates get a copy when requested?

6 I was put in case transfer and Judge handled my trial, but I asked my first Judge the one who handled my first trial to be the one to sentence me because as I feel Judge will not be fair, and bias, as to what she has already shown.

This is just some of the issues I have had to deal with, I had no defense to begin with, my due process rights were violated when valuable evidence

CJC-08-016

and material was with held by my
Attorney and the prosecution, So when I
Bring it to the attention of the Judge

She dose not want to Here
what I have to Say nor give a Response
to questions asked, is asking
that this matter be looked into and if
need Be is willing to
Provide any information necessary
that will Prove that he has Been Before
a Judge who has Been unFair and
Bias.

Thank you

Sincerely,
