Sheriff Report#

Burglary-

burglaring my home

Who built the house thru Construction showed up at the house, stole our garage door openers with his friends, all of whom used to be cops, but were also involved with Coffin + Trout jewelry store heist with Pamela Sulley's husband since the rest of the jewelry store robbers were employed by the daughter.

The robbers all BBQ' with housekeeper planned the heist in PD was called by me and I was advised by the PD Chief,

to keep my roommate with me to see if anyone showed up. From what I heard from the robbers went to both houses, while I was employed by PD, while their SAU was on scene. I used to assist PD, with their forensic accounting by becoming an employee. I also had friends in the owner,

SAU & I in collecting the robbers with their satellite I sent all to PD that day and also implicated with the thru their BBQ's & their employ- ment situation. I was told by to not read the paper, but to expect to be called as a witness in the trial, but apparently my testimony was too damaging.

- I was denied restraining order on Defendant Daughter

My children & I were out of town, and my home burglarized

- I was evicted out of my home by his relative foreclosed, mortgage payments diverted out of my account never posted, thru refused to investigate as to me all my mortgage payments were cleared by a bank in Sudden as well, along with are all involved with a wrecking yard & mortgage co of Mortgage involved in mortgage fraud & using my SSN to do all of it

Does not make sense - Case# This is not a juvenile case.

Impover/ No Service.
