1) BACKGROUND :

I did ask to send me a copy of my credit file with them. By law, they have to send a free credit report once a year. Furthermore, they have to send a free credit report if one has been declined for credit. I did attach to my request a credit decline letter, my full address, my social security number and my date of birth. responded that they could not confirm my address and they asked for a copy of my driver licence and of an utility bill. Although this request was surprising, I did comply fully with their request. Note also that, for almost ten years I did live at the same address and that I got my credit file from almost each and every year for the last ten years. declined again twice to send me the requested report. It was impossible to communicate with them on the phone because they do provide only a voice mail system to NON PAYING customers. Having no other recourse, I did file this Small Claims case. All the above is documented in the case file.

2) Disregarding the law and the evidence, the Hearing Officer, dismissed my complaint and ordered my to pay 9 (nine) dollars. The most striking parts in his decision are the following facts :

2.a) He did disregard the copy of my driver licence and electricity bill, with my full name and address that I did send, as requested, to

2.b) did submit to the Court a copy of my credit file and referred to the end of the file, which lists all my past addresses and claimed, wrongly and maliciously, that they could not find my present address there (see the evidence). However, my present address was displayed prominently on the FIRST PAGE and this is where puts the current address ! When I wanted to mention this obvious fact to the Court, ordered my to shut up and did threaten me with arrest if I did say anything else to the Court !!! The copy of the first page of my credit file with my full CORRECT ADDRESS is attached here as Appendix 1.

3) As I was trying to exit the courtroom by the entrance door, again yelled at me threateningly, and asked me to leave by an another door, as if I was supposed to know by which door to leave !

Respectfully Submitted,
