COMPLAINT AGAINST A JUDGE

Instructions: Describe in your own words what the judge did that you believe constitutes misconduct. Please provide all of the important names, dates, times and places related to your complaint. You can use this form or plain paper of the same size to explain your complaint, and you may attach additional pages. Do not write on the back of any page. You may attach copies of any documents you believe will help us understand your complaint.

I attended a meeting (an appointment at office) accompanied by my son. At that time he informed me "we had an uphill battle" for various reasons including judge state-ments and (in a telephonic conference call) why are you taking this case? It is a loser." I feel this was a damaging statement meant to influence my attorney. This judge is not performing the duties of judicial officer impartially.
