COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 08-109

Complainant: No. 1334110379A

Judge: No. 1334110379B

ORDER

The commission reviewed the complaint filed in this matter, as well as the recording of the hearing, and found no ethical misconduct on the part of the judge. Small claims cases are automatically transferred to civil court when an attorney enters a notice of appearance. This is a mandatory transfer. The other issues raised in the complaint are legal matters outside the commission's jurisdiction and can only be addressed through an appeal.

The commission is not a court and cannot change a judge's decisions; therefore, the complaint is dismissed pursuant to Rule 16(a).

Dated: June 5, 2008.

my small claims case was
wrongfully forced into justice court. The
defendant appeared at the hearing with a
attorney. because the defendant had a attorney
ignored my side of the case
and wrongfully dismissed my case.
is a attorney and so is the defendant,
Has an attorney. because of this I was ignored
and my case was wrongfully dismissed.
I have the right to have my case heard in
front of a judge without there being biased
behavior. I have the right to file this
case. I have been trying since 2002 to get
- stepped at my
address. has made this a
complete joke. the only reason this case
was dismissed was because
needed to kiss ass to the defendants
attorney. you cant dismiss my
case just because you want to play
attorney kiss ass.
