COMPLAINT AGAINST A JUDGE

Court -
Date: 4-30-08

Instructions: Describe in your own words what the judge did that you believe constitutes misconduct. Please provide all of the important names, dates, times and places related to your complaint. You can use this form or plain paper of the same size to explain your complaint, and you may attach additional pages. Do not write on the back of any page. You may attach copies of any documents you believe will help us understand your complaint.

The defendant (D) did not file an answer! Three of us approached the bench; judge not wearing a robe. I assume the "lawyer" started talking. He never made an appearance in the case or identified himself. He + (D) lied. JP wouldn't let me talk. I had proof to dispute what they said. JP kept telling me to be quiet and file in Superior Court. (D) is living in my million dollar estate without making any rent payments for eleven months. I was willing to sue for only \$10,000.00 to expedite getting him out. Now this JP has caused me more extreme expenses; I bet he couldn't afford \$5,000 mo. payments. For some reason he was prejudiced by not allowing me to speak, letting (D) & unknown man speak when no answer was filed and being unprofessional. Prior to my case he was laughing & joking with attorneys as they weeded through cases.

On the way out I got the card from the guy with defendant so I saw he was a lawyer. ~~needed to go.~~ Maybe they paid him off. My side needed to be heard. This is not justice & he lacks common sense and decency! He pronounced my name wrong & I corrected him. Maybe that made him mad but I deserved to be heard.
