To Mr. Stott

I writing this letter to you in regards to  
my prior complaint No 08-084 against Judge  
Judge This case was transferred to  
and this was the outcome

1. On 5-27-08 Judge denied all motions  
which were submitted to the court in the month  
of May.

2. In April I submitted three writal  
motions to the court

- A. Motion to invoke my speedy trial right
- B. Motion for denial of my speed trial  
right
- C. Motion to dismiss in regards to my  
speedy trial right.

As of today I have been in custody 180+ days  
and I have not heard for a continuance and  
never waived time and I'm pro-per.

The decision for Judge to bypass my

CJC-08-148

Motion are clearly blatant disregard for the procedure and was done intentionally

Once again I'm coming to your office to file another claim but this one is against my freedom for which judge is depriving me of. Could you please look into this case.

Thank You very much  
Once Again
