### COMPLAINT AGAINST A JUDGE

Date: 7-10-08

**Instructions:** Describe in your own words what the judge did that you believe constitutes misconduct. Please provide all of the important names, dates, times and places related to your complaint. You can use this form or plain paper of the same size to explain your complaint, and you may attach additional pages. Do not write on the back of any page. You may attach copies of any documents you believe will help us understand your complaint.

I believe Judge \_\_\_\_\_ misconduct took place in my pre trial and trial case. Judge \_\_\_\_\_ constantly let the D.A. commit misconduct, he let the Police Officer perjure his statement, he let the D.A. violate my due process, he violated my Sixth Amendment right to present witness for his defense, he violated U.S. Supreme Court rulings when the officers testified what the ruling definition was, he not only aided the D.A. but helped her convict me, he violated the Blakely v. Washington when the jury supposed to determine how much prison time you get, he never granted any motions on my behalf through pre trial and trial all he wanted to do was get it over with and go on vacation, he went on vacation during my trial and he never took control and made the trial fair. I suppose to have a trial of my peers, I'm a african american and I had 8 whites and 1 mexican as my jury. Judge \_\_\_\_\_ suppose to Judge my trial by LAW not by feelings and thats exactly what he did. Judge \_\_\_\_\_ should be penalize for his actions, so he can do what is Sworn in to do. I dont adress him as Honorable because of these misconducts. Please send me notification that this was received and Thank You for this form.
