① Judge Cahill of the court had wrongly denied my request for "separation against harassment" against dishonest court fiduciary. I have proven to this judge that there is a pattern of harassment toward me by this person, but she is only being dishonestly and wrongly protected by this judge, this is Unjust!

② Judge of the court treated me with prejudice during court case hearing, by not considering my strong evidence and he had also "shot down" my subpoena for my important witness to be present during this court hearing, because he cannot drive from AZ, but has made the trip before! appointed attorney drove from AZ, while passing by with suit for this hearing! please do not reply back to me by saying that the Board cannot find evidence of misconduct

(Attach additional sheets as needed)
