Judge and my lawyer  
and Deputy County Attorney was in  
his office talking about Hearing  
on petition for post conviction Relief when judge  
said that I was young  
down did not like this so when my  
hearing started and almost at the end of the  
hearing she ask that he step down from my case  
and he did. Judge also heard my case for my  
plea and he gave me 17 years flat time and lifetime Probation  
if I would sign the plea that state wrote up but plea  
I signed for 10-11 years flat time and max im. was give  
to me this is my first time being trouble with the law and  
I was treated like I was in front of this judge 20 times with  
a lawyer that didnt know the law I was treated unfairly  
because of my charges from the state to the judge including  
the lawyer she told me that she couldn't fight  
for me and if I didnt sign the plea I would spend  
lifetime in prison for the things my husband did  
not me. I won my Rule 32 there where no factual bases to the  
charges I was sentenced it was vacated

Thank you!
