COMPLAINT AGAINST A JUDGE

I was in trial with Commissioner He was very rude and
exhibited willful misconduct in office. He screamed at me and told me that I was not credible and
indirectly called me a liar. That conduct that brings the judicial office into disrepute. He has
always been rude and disliked ^{ME} even when I appeared in front of him in other forcible detainer
actions. He intentionally did not follow the law. Like late fees and court cost and differential rents.
According ^{TO} contract ^{DOCUMENT} law ^{LAW} that is four corners of the document. He misused his powers willfully and
persistent failure to perform his duties. This is not a legal issue at all; this is clearly abusing the
power of authority of the judicial office. And on one occasion he screamed and looked very angry.
And said that this is my court room. The Commission of Judicial Conduct should have seen his
eyes clearly and this is improper conduct on the bench. This kind of behavior has been going on
for some time; I would not be surprised that Commissioner has attempted
to influence other Commissioners. There are four other Commissioners conducting forcible
detainer actions. This Commissioner should be suspended and removed by the Supreme Court. I
have not done anything wrong to him. This kind of behavior is prejudice and bias on the part of
the Commissioner. Once again the Commissioner had misused his powers. I ^{WOULD} like to be present
on any hearing or proceeding to make sure this Commissioner will not lie to the Commission on
Judicial Conduct; And get away with this extreme willful misconduct in office. As I will always
have forcible detainer actions and I will be facing him again and again.

Thank you,
