To The Commission of Judicial Conduct

I would like File a Complaint against

The misconduct involves

- 1) willful misconduct in office
- 2) Conduct prejudicial to the Administration of Justice that brings the Judicial office into disrepute
- 3) A Violation of the ARIZONA Code of Judicial Conduct, "Statement"

I have been Incarcerated in

Jail since 11-15-07. I have been Charge with 2 counts of Molestation of A minor and 4 Counts of Sexual misconduct of A minor. I have Requested D.N.A, and Blood Test on myself to prove my innocence, Just to be denied. Judge stated that it was to late and that it's not nessesary. But according to 13.1405. Sexual Conduct with a minor: Classification

A) A person commits Sexual Conduct with a minor by intentionally or knowingly engaged in Sexual intercourse or ORAL CONTACT with any person under the age 15. C

IF Any one engage in this type of Crime, should qualify For D.N.A, Testing being that bodily Fluid has be exchange, wether it's Saliva, Semen or blood. But Judge Denied me the Right.

Also at the time , For Abuse and sexual assault', was Funded by the county and there were Judges and County attorney's serving on the board of Director, which I mention

Just to be denied all access to this info.

I Filed A motion to Dismiss my First Attorney
Legal Defender For the County to be denied. One week later Judge
Accepted Legal Defender motion to
with draw From my case stating is was a "Conflict" I Feel
Judge show bias on this matter.

Judge stated that I wasn't a very bright man, which was
very offensive, being it was in front of the whole court and
other inmates.

He stated that he will not dismiss any of these counts no
matter what happens,

He show's pure prejudice against me during hearing, making
Soke's and A mockery of this case.

He warns the state attorney to be prepare and never have
they come in with any records on me, I feel the Judge
is not being fair, because he do not put any action against
the D.A. For his acts.

He stated that he will not except nor will he sign any
motion that I file.

I File A motion For Release and denied, he stated that he
wasn't gonna just let me go home.

There were 2 cases which they made out of 6 counts.

Case #1 had 1 count molestation of a minor and
2 ^{sexual} misconduct with a minor.

Case #2 the same counts, but was later

CJC-08-227

Dismiss by the Justice Court, Just For the Court to Added on Case #1, which I mention this to to Judge but he Refuse me permission to speak, which in all my hearing, he denied the Right to speak. Now he act's as though there wasn't Another case.

Also, I started a Complaint and Low Suit against Judge and the County, Just to be sent a Court Notice stating.

It may be that the Defendant's Attention would be better Focus upon the immediate consequences he is Facing in a Pending Criminal Case, but the Defendant will have to decide his priorities himself;

which I took as a threat, that cause me to withdraw my complaint.

I Feel he is denying me the Right to speak and the Right to Due process.

It states in the Code of Judicial Conduct, "The Judge shall not, in the Performance of his duty, by words, or conduct manifest bias or prejudice.

He also uses his Authority to try to tell a person he know's what they think and Feel. Then to make it hard to provide any evidence to prove my innocence.

I Feel that he is Retailiating against me For Filing a Complaint, which I Am ReFiling all my Complaint's and Just disregard his comment's of threat. I we can get the Court Transcript, which I have been trying For a

CJC-08-227

Couple months, just to be put on hold. The transcript could
prove all my allegation to this date.

I have file a Complaint and Law suit with the 9th Cir Court
in Pheonix AZ.

I Am tired OF being
scare OF the threats and the prejudice that Judge
has demostreted. I Am being denied my Rights as a
American Citizen to Due Process. The Charge that are
being brought on me can cause me Life in prison if I
can't get any Justice From this Judge. There are several
violation he has Committed. IF we can get the Court Transcript
it's All in it. I have File A Change OF Judge.
I believe he will continue if nothing is done.

P.S. I think he will not provide me with Fairness
He's also trying to push me into taking a Plea by Threats
my Speedy Trial date was up so my Right to
A speedy trial was violated.
