Complainant: No. 1346110553A

Judge: No. 1346110553B

ORDER

The commission reviewed the complaint filed in this matter as well as the trial recording and found no ethical misconduct on the part of the judge. The issue raised is legal or appellate in nature, and the more appropriate remedy would have been to appeal the judge's decision to a court with proper jurisdiction.

The commission is not a court and cannot change a judge's decisions; therefore, the complaint is dismissed pursuant to Rules 16(a) and 23.

Dated: November 19, 2008.

CJC - 08 - 251

I am writing to you at this time to complain of the attitude and cruel conduct of a biased Judge

I went to court along with Respondent
Upon opening of session made it
quitobvios that he did not like me. Called me a liar inwhich "he said that, he didn't want
to here that I trusted with my and Famlies investment to buy and sell houses."
Which admitted to me fixing house and my son investing On asking for
spousal support he said, he didn't think I deserved any even after I told him of my spinal
engery and that I am seeking counseling due to the fact of seen my exwife whom I trusted
steal my dream of buying and fixing houses, mental and fysical abuse, worst of all when I
seen her add on her website in which she made a porno and salicted prostitution. I also
brought to Judge attention of child abuse. And of lie of calling police on
me several times in which Police said that they were never called against me but
against 's son. Which Refused to investigate knowing
that there is possibility of child crime. Furthermore I brought to Judge attention of
the deceit and disregard of in which she transferred title in daughter's name even
after she was court ordered not to. Nor was a finacial statement filed by

Furthermore Judge went as far as abuse of Judicial Powers in enforcing Child
support by calling child support enforcement agencics knowing that I have a current
motion to modify child support .

Judge has shown that I am less than a citizen and that the Arizona rule of family
procedure do not apply to someone as I.

I would like a retrial with a fair and impartial judge. Who treats every american citizen
with his or her equal rights no matter. No matter what the hadicap.

I would also like a change of venue. And this officer of the great and honorable country
with rules and laws to protect all citizens disiplined or retrained in rules.

No blue station wagon exists.

Sincerely,
