I received. On that day I walk in the
court house signed in at front desk walk into court
room then Judge ask me if I was here.
In the court proceeding I stated yes, and he smiled
and said you were here early but will be sorry soon ok.
The (court clerk) said all rise of
Judge I got up and left the court room 5-7 minutes after that.
Officer: walk into court room looks around saw
me then walk up to (court clerk) spoke and handed
some papers to her. While she was looking at the papers and
taking with he stood up from the benched position he was in
and stood directly in front of still taking to her, the
lean over from his seating position to the side to look out into court room
saw me and start smiling and taking to the she gave him
some papers talk some more. then he walk away to find a seat.

I think he felt that he
didn't have to tell me anything.
and he didn't. But, the other officer
told me that I need to give him
my engine etc. and I did not
he still didn't tell me the truth.

Both officers went behind
car with truck open hood and taking
the they moved to the other officer
car truck open hood in truck etc.
5-10 min later.

The Judge was so mad about what
his clerk lied to him about that
he already pre-judged me knowing he
was going to find me guilty.

This is not right!

However, Judge
Court clerk told him that
I got smart with her, and
that's was a lie, and I
told her to repeat what I
said to her earlier. and she did
but Judge was so mad
that he didn't want to hear
me speak about it again.

Then, he charged me with
\$321.00 false claim of speech ticket
and false claim of not having registers
on my vehicle.
I then told Judge that I
gave the officer my Register and I
have it on me on (Court Date) that Day
and Court Date before this one. He still
didn't want to see it nor hear about it.

Judge stated that: I needed
to pay \$50.00 a month until paid
in full. I ask him if I could
pay \$5.00 months, he stated NO!
it will take too long. etc.

CJC-08-277 11/1/08

One more thing: I
also, told judge that
I didn't give (officer
my SSN. But he claims that
I let care for MVD.

On the next day I went into
MVD to speak
with them about my SSN
being given out. I was told
that when they (MVD) pull
my name up from the computer
they can only see my last 4 digits
of SSN only if it's authorize
by a supervisor to they
pull up whole (SSN).

And that the officer lied about
getting from them etc.

Officers didn't ask for
my SSN from me nor did I
give it to him.
