This cause NOW before A Commissioner Pending A Preliminary Hearing unclear. I submitted A Petition For Habeas Corpus relief with A Motion For Temporary Restraining order To U.S. District Court Against Arizona State Hospital, attacking the Due Process violation of My Conditional Release not the initial sentence at this time, Due to acts of Retaliation and Conspiracy Against My Attacking An illegal Arrest, extradition In Arizona to Texas and illegal Detention and Prosecution that WAS on going for two years. Having legally researched and Investigated Found Arizona's state hospital, the Public Defenders Office, and involved, In Conspiracy I WAS illegally violated and Returned To Arizona State Hospital After the illegal Prosecution in Texas WAS Dismissed, and Placed under A Hostil Psychiatrist at Ash, Who used this Custody and Hospital Control of A Patients custody to create A Desired result that continued A Two Year illegal as fore said. This IN response became an Appeal to Superior Court requesting A re hearing and Another Diagnosis from A Psychiatrist of My Choice, that i feel is not in cooperation to the illegal Authority of this Conspiracy. The Dist. Court issued its order to Amend with A time Period. Disregarding the Emergency nature of the request for TRD. AS The Result of informing Psychiatrist of this he Increased medication in retaliation, AGAINST Arizona Revised Statutes of State Law, AN ASSAULT occurred in regards to this Attack and The Courts failure to intervene, on the date I WAS About to submit the court ordered Amended COMPLAINT When Ash Contacted City PD for An Arrest, Done to Prevent or Delay that Filing. All Documents was left in the Control of Ash, while I WAS Transferred to this Jail. P.D. Would not Allow me to retain Neighbors and Addresses Written on Paper, But intentionally Sealed it under Seal in Property Per Jail Rules Now i have no Access to Property or Contact With ANY ONE AS the result of Present Conditions of Confinement. A Commissioner set on a 360000 Bond Due to Conditions of Arrest and Confinement i've been held as Thos i have no Bond, which IS Cruel and unusual Punishment. And Access to Court in ANY of the all read Pending Litigation has also been Greatly restricted which is also Cruel and unusual Punishment. Besides the Bond Because I AM Indigent the Public Defenders office WAS appointed, where there exists A Conflict of interest as mentioned in All Pending Litigation for Release. There Interest is the states My continued Confinement that i not be free to Litigate Against these Crimes in Texas

going conspiracy. Status conference was set I was held in torturous conditions of full restraints all day, hearing was scheduled at this would be possible if I was not in custody. Finally I was taken to a room that afternoon, to talk to my intermediate use of counsel, att.

Finally intered, so once again I tried this service by discussing my case. While doing so she mentions att. who is pending dismissal in other

litigated appeal. As soon or not for from this introduction she inter's immediately getting my attention by suggesting the word dismissal. And citing the language of a case but not giving me the cite and says she was going to talk to the D.A. about dismissal. When she leaves

her exit also stopping all conversation about my concerns. Being torturous conditions of confinement and bond. I did not give any written

permission to discuss any private information protected under the HIPAA law. What ever was discussed at this my status conference, I was denied access

to this not permitted to be heard in my concerns in this case. I was moved to a holding cell remained isolated from the court and suffering several more

hours. Then I was taken to a room not the court and told by a female officer it was not necessary for me to be there, and stated the judge and court to be

I was not provided any information in this case nor allowed in court. Then I was transported back to jail. As soon as I returned to my cell. I began to hand copy notations in pencil on the backs of anything I could

find. I was being denied access to any legal materials, using a jail policy that gives this duty to the attorney, that can never be contacted a

tactical means of denying access to court. Jail DO's watching my every move, I'm sure communicated these actions. Since it was suspected that

I was not going cooperate with the plan - that was in motion to get the case dismissed and back to the state hospital under the same con-

ditions that caused this charge and custody in the first place subject to what ever prepared plan that had been put in motion by that facility was

using these conditions and threats of worse conditions to coerce my cooperation so that plan. While denying me both state and U.S.

constitutional rights to be heard and to prepare my own defence, on my next scheduled court date for a preliminary hearing, I

was this time taken to what I was told WAS not it was now the commissioner judge

low to say anything he gave his speech on record about a preliminary hearing. My mind was on what was I doing hear I was supposed to be in

To my belief this change of judge from i was told by female officer, was basically to under mind allowing me

to address the court about my legal concerns and not the state hos-

Pitfalls ~~to~~ Nor the use of The Public Defenders office to get those
 concerns met by the state. I was not allowed to address the Court I
 WAS usurped out told that ^{used this same court}
 that I was in the Right Court And she would appear later. ~~But~~ This did
 not seem factual the NAME on the Judges Bench was ^{I WAS Taken}
 To A Holding Cell And AGAIN Left For Hours as A Condition of this Confine-
 ment. Hours Later I WAS Taken to A Room where TWO Different Attorneys
 From the Public Defender's office appeared, Supervisor ^{. He re-}
 stated the concerns of A Dismissal requiring more Evidence from the Hospit-
 Al. Evidence I WAS not in Agreement with in The First Place no matter
 how much Torture Through this Process and conditions that were used. When
 He saw I WAS not to be coerced using conditions, Denial of Access to being
 heard or Threats of worse Treatment. He Dismissed himself not
 stating what he WAS About to do. My Belief is that BECAUSE of his duty
 Being to gain my Cooperation to serve the Purpose of what ever intent the
 State Hospital had in mind. Left to Discuss out of MY Presents who ever
 we'd discussed or argue'd About, which should not be the Position of
 An Attorney to under mind A Client's Defense. Did Leave and Talk with
 Both Judge ^{and The D.A. Personal Psychiatric information i'd}
 Given no Permission To be Discussed. A while later by Plot and seem
 I WAS Taken Again before Judge ^{AGAIN, he was seated this}
 time Proceeded to hear MY CASE, once I went to the Podium the Public
 Defender ^{stood up also the judge made his announcements and}
 Decisions With out allowing me one word. He ordered A Rule 11 And
 medication And for this case to be Post Bonded two weeks. I tried to
 to voice concerns he would not allow these concerns to even be heard.
 As the Result of this Conspiracy being discussed out of MY Presents
 using Private Information to further the same afor said crime in A
 worse way and now not to even Allow me to defend myself using
 what the Public Defender illegally provided to carry out his used
 objective to deny ME Any Legal Rights and force me to continue
 suffering AS A Act of Duress And coercion To bring me into Agreement
 with this PLAN. There for against Judge ^{I am sub-}
 mitting this Judicial Complaint of the use of the Public Defen-
 ders office to violate First the HIPPA Law. And use that to CAUSE
 me not be heard in my own Defense And continue Through delay of
 not hearing these concerns to suffer All the Tortures conditions
 mentioned in Conspiracy with the state Hospital And the state of
 Texas To Deny me Access to Release And Access To COURT.
 Should be OUT side The Legal Duty of A Judge, in Powered
 AS A Public Servant of the People to be in Partial And non Biased.
 I Will not get A Fair Hearing in This Court or Any Court as long
 AS This Court Act goes un addressed by LAW.
