is not only a Deputy Public Defender, for
the county Public Defender's office. She sometimes sits on
the Judges Bench Here in County Superior Court. on
2008 was appointed to represent me on a criminal matter
But do to a conflict of interest, she represented a witness
in soon 2008 I recieved a letter from her office
stating she's tiling to withdraw as my counsel. My complaint is about
a note that was written in the upper right hand corner of my Indictment,
stating: This guy is a little nutty. I not only find this unethical, But very
unprofessional conduct. A statement like this has not only put my character in
question? But got me a visit from the rule 11 doctor as well. Because my Indictment
was exploited to the states prosecution and my new attorney of record
since this has happened I have contacted by letter Supervisor
by letter Informing her of this matter. I have also filed a complaint
Against an Attorney with The State Bar of Arizona Against for
Breaking an Ethical rule of conduct. I have also brought this matter to
Honorable Attention, whether is an Attorney
or a part time Judge, this kind of conduct should not be tolerated on
or off the Bench. I find it very unethical and very unprofessional on
whatever part of the judicial system she's representing. I sincerely
hope you take this matter as seriously as I have.
Ive enclosed Documentation to support this complaint.
