came into this country to marry another man who took
my wife away from me and my Daughter she came
into this country under a false name she used the

They changed Judges on me from Judge to Judge
I find that this Judge was very
Bias towards me, she wouldn't let me bring in this Edvidence

on Page 16 oath of Solemnizing

ID # of the minister
on Page 17 I

This case was dismissed
because the Plaintiff and the Defendant
got back together and Reconciled, there was
no Divorce on our marriage.

on page 18 The Defendant got married to
another person, so she is married to two
people first she married me, no Divorce, then
she married this other person.

This person has also lied about me and my daughter
and they both Brain washed my daughter in which
I took a Polygraph Test and passed it

There are so many American's that are going through
what I'm going through these women from other country's
are just using the American's to get into this country
then they leave you in my case my wife had a
boyfriend and this ^{who took her away from}
our family I want a Divorce and I would prefer
if this case is reopened and transferred to
where I live which is closer to where I live.
The Evidence that I have showed you shows that we
are married and there needs to be a Divorce Granted.
