COMPLAINT AGAINST A JUDGE

Your name: \_\_\_\_\_ Judge's name: \_\_\_\_\_ Date: 6-9-09

Instructions: Describe in your own words what the judge did that you believe constitutes misconduct. Please provide all of the important names, dates, times and places related to your complaint. You can use this form or plain paper of the same size to explain your complaint, and you may attach additional pages. Do not write on the back of any page. You may attach copies of any documents you believe will help us understand your complaint.

on 8-14-2008 my lawyer (court appointed) put a motion to withdraw due to conflict this was a fictitious motion that was granted by Judge \_\_\_\_\_ without my permission or my knowledge; and without a letter of notice from me. This fictitious motion that Judge granted lead to the following chain reaction of events two felony warrants, a bond forfeiture of \$3,500, new charges, and wrongful imprisonment plus she would not let me see my discovery so I could make a sound judgement on going to trial or taking a plea bargain, I received my discovery two weeks after I was sentenced and that's when I found this fictitious motion that was granted without my knowledge!

on 10-31-08 during my plea bargain I asked Judge I needed to see my discovery she told me what good is that going to do she denied me my right to know at this time I had no paper work on my cases what so ever. she violated my rights.
