~~1.) A judge shall hear and decide matters assigned to the~~
~~1.) A judge shall not be swayed~~
1.) A judge shall be patient, dignified and courteous to litigants. Well he is courteous to my ex but rude and biased towards me at all times. When I go to answer questions he will cut off my answers without allowing me the ability to finish my statements. He shares my ex-wifes frustrations make snide and inappropriate comments towards me constantly. When I earned no income and couldn't make payments he acted as if it didn't matter I should have made my payments anyways. And he has told me to borrow the money if I have to. He doesn't care what I have to do just get the payments made. He makes dirty facial movements when I give answers to show he is appalled by my answers. These proceedings have been very biased since day one. I don't know the exact date but when he had me arrested court was scheduled for 10 clock that afternoon. We started court around 9:20. At 9:25 he ordered a purge payment to be turned in by 5:00 or be held in contempt. Court is about 45 minutes from where I live. And I would have needed to go there to borrow the money. So he held me in contempt and locked me up instead. The court is in a secluded area and no one could get to me by 5:00 considering it was 4:25 and rush hour traffic as well.
