COMPLAINT AGAINST A JUDGE

Your name: _____ Judge's name: _____ Date: 3/30/09

Instructions: Describe in your own words what the judge did that you believe constitutes misconduct. Please provide all of the important names, dates, times and places related to your complaint. You can use this form or plain paper of the same size to explain your complaint, and you may attach additional pages. Do not write on the back of any page. You may attach copies of any documents you believe will help us understand your complaint.

I am sentenced to 25 years for a false charge. To prove that, I filed a Petition for Statutory Special Action in Sup. Ct. To force disclosure of evidence that was supposed to be disclosed. So I filed the special action on April 8, 2003 and waited. Judge should have ordered service on the defendant, or taken some action. He did nothing.

On Nov. 26, 2008 I filed a "Motion to Recuse" because I found out Judge was a ^{prosecution} supervisor over my case when it was initially in Judge court. I asked for Judge to hand the case to another Judge.

I also filed a "Motion For Hearing" on Nov. 26, 2008 to try to get some action on my previously filed special action. Judge was notified of all my stated filings as noted by the clerk by the "cc:" notations on my filings.

Judge is failing to perform his duty as a Judge both willfully and persistently and causing me to remain in prison when I should be freed.

Judge may also be sitting on a case when there is an obvious conflict of interest wherein he had a hand in illegal suppression of the very evidence I need to get disclosed per law.

"Petition for Statutory Special Action," "Motion to Recuse" and "Motion For Hearing" enclosed.

Can you please just get a Judge to order the suppressed evidence disclosed in my criminal case? I am very afraid that I will be in danger over my complaint and will get more false criminal charges or otherwise harmed.
