I had a case before this Judge in which I pled not guilty. There were no facts or evidence to support this claim other than an officer who had reported that I had shot of a gun in my back yard. I needed some help at the time I did need some help. She had ordered a punishment and some help prior to conviction. The help I can understand AKA Pre trial services. I had supposed that it would get me to court, help me get in contact with my attorney and so on. I have not been able to contact my pretrial service rep. for 4 weeks and have left several messages. I also have not been able to contact or talk to my attorney so I have had no one helping myself to prepare for, remind me of anything concerning that matter, or my court appearance. I have also moved and have lost my paper work telling me the day and time. I had and have a vague idea of what day that was and it has been impossible to contact anyone concerning that. Especially anyone who has any clue about legal advice. Since then Judge has issued a warrent and I have called his offices to ask for ~~the~~ the date to be moved into the near future. I have not been notified since that day. I pray for a better Justice Sytem. My hopes
