Memorandum To Show Continued RETALIATION now moved from “ Police Department” to “ Police Department”

On 5-27-09 Town of issued a Warrant for non-payment of a traffic violation; Plaintiff, had just obtained new employment after numerous attempts; after just finishing 42 court hearings each month from October 2007 attack of Police Officers and , who are no longer employed there.

On 6-1-09 Police Department moved to Violate probation for

On 6-1-09 Police Department and Detective moved for a Search Warrant on the residence of Avenue, , AZ and vehicle owned by , to search for drugs and weapons.

On 6-2-09 around 10AM Police Department arrested for transporting and selling marijuana set up by an undercover Police Officer letting know that they had been following him for several months everywhere even when he had his little daughter, with him. Police Department interrogated all day trying to get him to admit to a burglary charge of which he had no knowledge of wherein supposedly there was a weapon; the same weapon that they used for a Search Warrant for issued by Honorable

On 6-2-09 Police Department went raging through the apartment of , Arizona, friend, wherein they were totally aware that little s daughter was present. With rage. the rush, armored, endangering this tiny little girl, age 3 by Police

Department; all to arrest someone else. Task Force knew that age 3 was in this apartment when they intentionally did emotional and harm to this little girl without remorse of any kind headed by Sergeant

On 6-2-09 Task Force pounding on the screen door at Avenue, AZ and answered by , resident there along with . With three (3) loaded machine guns, 1 guy ready to pull the trigger at Mr. head; Task Force forced their voices yelling to open the door; arresting , who is a retired Police Officer from Los Angeles, California after 25 years of service and next arresting and hand cuffing in front of the peaceful home and residence. With strange members of this Task Force they entered the home looking through personal belongings with their main target to search bedroom.

who already suffers from bleeding ulcers and numerous injuries during his duties as a respectful Police Officer.

Mother of who has an existing back problems and the trauma from the attack in 2007 from the Police Department.

After a couple of hours of search and inventory Task Force found nothing but did take the 2000 , home computer which included pictures of little , age 3. personal items, s wallet and other personals. To this date Task Force has refused to release the 2000 to owner,

All of this drama, trauma and mistakes out of retaliation for as you will see by the time line all steps were taken to railroad a warrant out of , violate new probation arrangement while entrapment of an undercover cop while their real pretenses was to find a gun supposedly involved in a burglary in February, 2009 somewhere in Phoenix or Ahwatukee per s interrogation. has not been charged with any burglary or possession of weapons but that's what Task Force's teams true intentions were.

, who now feels mentally and emotionally raped from the 2007 incident but an ongoing and recurring incident of June 2, 2009 to the point of getting undressed for the day in front of one of the Task Force employees. Feeling shame and filth and totally violated for this incident arranged by the Police Department and tossed over to the Police Department. who used to believe and trust everything and everyone, originating from a good upbringing in Ohio, now worries needlessly about going to the mailbox across the street, shopping alone, driving a car, worried about what the neighborhood thinks of the family, needing sleeping aid from the emotional trauma caused on 6-2-09, not wanting to be left alone, feared of the Police Departments surrounding the city, fear for the health and welfare of the entire family, wondering and worrying about the safety of little , afraid of being followed in a car for the wrong reasons and knowing that these ill feelings by these Police Officers who

pass the buck to each other not realizing that a Judge would ever believe these horrifying stories that are in the air while living in Arizona.

who lives with the nightmare knowing with his background the intentions of a Police Officers holding a loaded machine gun with a finger on the trigger pointed at his head while innocent of any wrong intentions.

, who now sits in Jail as a result of his non-participation of any burglary, who now the Arizona Judicial system must Judge him again after just finishing court hearings since October, 2007.

Little age 3, not forgetting the events that happened intentionally headed by the Police Department and Police Department endangering her life. Little is acting out, seems angry, is hurt and very emotional; cries a lot, longs for her Father's love and companionship, hides under her blanket a lot in her room; seems disturbed by the past events and unfortunately this event of June 2, 2009 will follow her the rest of her life. Prior to this date she was a very very happy little girl; very well-rounded, loved to play and swim with her Dad, enjoyed all the little things that little girls love to do on a daily basis with her Dad for her Father, fought endlessly to save her from all harm and evil during the court battle in front of Judge of Superior Court in , AZ to win shared custody wherein receives his daughter every day of every week of every month and every weekend and , proud Grand-Mother, won the Emergency Order to be permanent Caregiver for little while her parents were employed or attended college.

Overall, when was requested this task of a Search Warrant of our home at and my vehicle, he would have noticed my son, being on a new probation and could have easily notified the Probation Department to knock professionally on our front door and requested to search into son's bedroom for anything at all and find nothing instead of taking the man hours and money of the Task Force to blaze into our home with loaded machine guns on June 2, 2009 to do the same.

A very very simple issue here but instead Town of by their actions combined the forces of Police Department to cause us further harm, danger, endangerment of my granddaughter, age 3, to further an ongoing retaliation STILL.

We are hereby needing, pleading, requesting and praying for the peace necessary to live in , Arizona and the safety of our family.

Respectfully submitted this 8th day of June, 2009
