As a Retired disabled Federal Fire Fighter for the Department of Agriculture, which has been mentally and physically disabled since 1997, that Judge _____, the Attorneys and the plaintiffs in this case coerced and forced me into contracts and arraignments to my detriment, physically, emotionally and financially.

I was not allowed equal opportunities, including lawful rights and remedies, as per the documents, minutes, transcripts, and attorney's work papers in this case will reveal, unless they also have been excluded.

I requested to pay this house off in full, prior to trial, DENIED.

I requested, to find another attorney, DENIED.

I requested a postponement due to my mother's illness, DENIED. As of this morning, she passed away without me, due to this court forcing me to move on a 5 day schedule after 6 years of living in this house and paying for all mortgage notes and home improvements

(See final page)
(Attach additional sheets as needed)

I Requested to present my case,
Denied.

As a mentally disabled person, it is like having someone forcing me to live their imaginary life instead of the Real world.

I believe I have been discriminated against because of my sex, race, marital status, and disabilities.

I believe this was NOT Justice, but rather obstruction of justice AND some sort of cover-up.

Your immediate attention would be appreciated.
